

new horizons
Serving Individuals with Special Needs

ANNUAL REPORT

OUR MISSION

New Horizons: Serving Individuals with Special Needs empowers individuals with special needs to fulfill their dreams. Through partnerships, community outreach, and advocacy, we create a brighter future in which our clients are accepted by, participate in, and add value to the community.

OUR VISION

We envision a brighter world in which individuals with special needs and other developmental disabilities are valued for their strengths and their challenges, their courage and their joy; where each person is afforded compassion and dignity, rights and opportunities as equal members of the community; and where our partnerships, community education, and advocacy have eliminated the difference between the culture of caring we provide at New Horizons and the quality of acceptance and caring provided by the community.

A message to the Community from New Horizons Chairman and Interim CEO

Dear Family and Friends,

Fiscal year 2017 was a year of great accomplishments for New Horizons and the more than 1,800 clients we serve in the San Fernando and Santa Clarita Valleys. Not only did we continue to help our clients live independent and productive lives, as we have done for more than sixty years, we also successfully delivered our many programs and services across a growing swath of Los Angeles, and had the great honor of being named 2017 California Nonprofit of the Year by the State Assembly!

The lasting legacy of excellence that our eight founding families left us continued to be seen in FY 2017 in the way New Horizons provided job training and placement, education, counseling, travel training, social and recreational activities, residential services, community living, and community outreach. Specifically, in our work programs, we delivered more opportunities to those we serve than any other service provider in Los Angeles County. Through our living programs, our outstanding staff of professionals encouraged our clients to live their lives to the fullest each and every day. And in our learning programs, we continued to provide services to help our clients live, work and learn at our North Hills campus and out in the greater community.

Now, as we welcome John C. Brauer, our new President and Chief Executive Officer, and Ken Miles, our new Chairman of the Board, New Horizons looks forward to even greater successes in the months and years to come, knowing this one thing: whatever accomplishments we and our clients experience will be due in large part to your love, your involvement, and your amazing generosity. We can't do it without you and your continued support.

With a shared goal of meeting the needs of our clients and helping them experience their own individual successes each and every day, on behalf of New Horizons Board of Directors, volunteers, staff, and our new leadership, thank you!

A handwritten signature in black ink that reads "John D. Bunzel".

Roschell Ashley
Interim CEO

PROGRAM HIGHLIGHTS

This year, New Horizons assisted nearly 1800 consumers and their families. In New Horizons' 64-year history, this is a record number of people benefiting from its programs and services.

WORKING

Total numbers served in FY 17 with both individual and group placements in the community with such business partners as Providence Holy Cross Medical Center, Caltrans Sylmar, Air National Guard, Valpak, Walmart, GT Water Products, and Restaurant Depot:

EMPLOYMENT SERVICES

Best in Los Angeles County for Individual Placement

Employment is a key component of giving individuals with disabilities independence, freedom of choice, and community integration. New Horizons is proud to provide more jobs in the community for people with intellectual and developmental disabilities, as well as those with rehabilitation challenges in Los Angeles County.

Pathways

As a doorway to Supported Employment, this program assists individuals in developing job experience by working at businesses on a time-limited basis. The participants are paid by New Horizons and thus provide a volunteer labor force. Kohl's, Providence Tarzana Medical Center, JONS International Marketplace, 99 Cents Only Stores, Vons, Marshalls, Office of Congressman Tony Cardenas and CSUN are some of our partners where the Pathways program is implemented.

Job Club

Whereas the Pathways program uses on-the-job training, the Job Club teaches skills in a classroom setting. It is offered at New Horizons, preparing our clients to find meaningful work in the community.

Direct Job Placement (Special Rehabilitation Clients)

In FY 2017, 105 people have been referred to New Horizons and 72 have been placed with both new and existing employers in the community. These include individuals who do not have developmental disabilities, but may have other barriers to employment.

WORKSHOP

Still Earning the Business

The New Horizons team successfully navigated the transition of nearly 60 clients out of our on-site **Workshop** and into our Community Day Program and other employment options. For the 120 clients who remained in the Work Activity program, they continued to learn valuable work skills while earning a paycheck, in a variety of jobs including light manufacturing and fulfillment services.

The Workshop currently serves **120** trainees who achieved **99%** of their goals this year.

SAM'S CAFE

Great Community Events Happen at New Horizons Too!

Sam's Café continues to boast a full professional kitchen, facilities for up to 250 guests, Wi-Fi, ample parking, and affordable rates. During FY 2017, it remained the perfect location for client dances and parties, baby showers, children's parties, wedding receptions, quinceañeras, holiday parties, community service clubs, and business meetings held by such organizations as the Valley Industry & Commerce Association (VICA) and the North Los Angeles County Regional Center. Sam's Café is also the home of New Horizons' famous cookies, which were featured at every New Horizons event, sold at Vons stores in Mission Hills and Pavilions in Burbank, given to local community legislatures, shipped nationwide as corporate gifts, and became a delicious part of the LA Cookie Con event in February 2017, to rave reviews.

Hot tip # 1: New Horizons cookies can now be purchased online on the New Horizons website at www.newhorizons-sfv.org.

RESIDENTIAL AND COMMUNITY LIVING

LIVING

Helping Clients Get the Most Out of Their Living Experiences

In fiscal year 2017, **Community Living** provided assistance with menu planning, budgeting, money management and a host of other training opportunities to participants choosing to live on their own. These individuals were encouraged to participate in a variety of community-based recreational opportunities at such places as concerts, fairs, and shopping in a variety of settings.

38

**INDIVIDUALS LIVE INDEPENDENTLY
IN THE COMMUNITY.**

New Horizons' **Residential** program, which currently consists of 12 residential homes (a 13th, Reseda Ranch, is being built) and affords our clients the ability to live in community in a homelike setting, maintained 100% occupancy. In addition, rigorous surveys and inspections from the Los Angeles County Departments of Health and of Social Services yielded perfect compliance for five of the homes, at New Horizons I, 56A and B; Chase; Odessa; and the Balboa nursing home.

72

**CLIENTS LIVE IN NEW HORIZONS
RESIDENTIAL HOMES.**

LEARNING

With services open to a broad spectrum of clients, including those with intellectual and developmental disabilities, 640 individuals were served by GLM in FY 2017:

323

TYPICAL SENIORS

53

TYPICAL STUDENTS

264

PERSONS WITH DISABILITIES

GREEN LIGHT TO MOBILITY –

TRAVEL TRAINING PROGRAM (GLM)

Creating a Community on the Move

This year a continuation of funding from the Los Angeles County Metropolitan Transportation Authority was secured to extend the GLM program to seniors and individuals with disabilities for another two years. This follows the success of the initial three-year cycle. As a testament to New Horizons' strong belief in community services, this program was launched to train individuals to use public transportation so they could better access employment, recreation and other resources. Some of the training sites specifically geared to seniors include Fickett Towers, ONEgeneration Senior Enrichment Center, Robert M. Wilkinson Multipurpose Center, Owensmouth Gardens, Heritage Senior Living, Vintage Crossing Senior Apartments, Montecito Terraces Senior Apartments, and Sherman Oaks East Valley Adult Center.

COMMUNITY DAY SERVICES

Transitioning that Benefits our Clients and the Community

This year, the new **Community Day Services** was launched. The purpose of this half-day program is to facilitate learning vocational skills in the community through volunteer opportunities. There have been many sites developed for the Community Day Service, among them: North Valley Caring Services, Hope of the Valley Rescue Mission, San Fernando Valley Rescue Mission / Super Thrift Store, MEND - Meeting Each Need with Dignity, Heavenly Pet Resort, Best Friends Animal Society, Friends of the Family, Dept. of Recreation and Parks in North Hollywood and Panorama City, and Union Rescue Mission / Hope Gardens Family Center. The other half of the day, our participants receive classroom instruction in functional skills attainment for employment and the social behavior expected in community based settings.

While helping **100s**, our clients contributed approximately **7,700** volunteer hours to the community.

ACHIEVEMENT CENTER

Where Learning Never Stops

Having focused on classroom space and building a staff of highly trained professionals, in FY 2017 in our **Achievement Center** it was all about the classes! Participants enjoyed a day program that included safety training, cooking lessons, arts and crafts, Metro training, fitness instruction courtesy of a grant from Kaiser Permanente, and drum circle, along with self-advocacy and much more, like the City of Los Angeles Department of Cultural Affairs Art Class and Show, where participants from classroom 5 sold their art to excited buyers.

TECHNOLOGY MEDIA ARTS (TMA)

Falling under the Achievement Center program, TMA offers exciting work and educational opportunities to clients who show an interest and talent for technology and media arts in preparation for careers in web design, graphic arts, and animation. This year, TMA was honored to be selected to participate in the 2nd Annual LA Council member Mitchell Englander's (CD-12) "Making Movies that Matter" (MMTM) and Short Film Festival. With twelve weeks of classroom study funded by the Council member, New Horizons received practical training provided by a CalArts Artist in Residence with the purpose of helping the participants produce a video about issues that interest them. After submitting their completed videos to the film festival, New Horizons clients were awarded, before family and friends, a special trophy for community spirit in honor of their efforts at California State University, Northridge's Valley Performing Arts Center on May 24, 2017.

MONARCH MOBILE DAY PROGRAM (MMDP)

Serving Clients in the Community

As a program that takes New Horizons' Achievement Center-type day services on the road, MMDP was one of New Horizons' first programs to offer its services entirely in the community when it began specializing in assisting a more fragile clientele outside of the organization's North Hills campus.

The staff brings program services to the client: in their family home; skilled nursing facilities; community care facilities; continuous nursing; or specialized residential services (CPP). The MMDP program is expected to be in even more demand as facility-based programs become less of an option in favor of inclusive environments. It is a program that is quickly expanding in regard to staff and participants based upon demand and its many Regional Center referrals.

In its third year of operation, the program benefitted **40** individuals who due to intellectual disability, medical conditions or physical disabilities are unable to attend a campus-based day program.

Hot tip #2: New Horizons clients' videos, which were created for "Making Movies that Matter," can be seen on Councilmember Englander's YouTube channel - [youtube.com/user/mitchenglandercd12](https://www.youtube.com/user/mitchenglandercd12)

EVENT HIGHLIGHTS

In FY 2017, successful annual campaigns and events, along with generous grants, made it possible for New Horizons to provide client programs at an exceptional level.

NEW HORIZONS WALK ON THE HORIZONS -Partnership with Anheuser-Busch

The ninth annual Walk on the Horizons was held on **August 27, 2016** at Anheuser-Busch. The opening ceremonies of the Walk included a rap performance by John Tucker from the A&E docu-series “Born this Way”. As part of the festivities, a special award was given to Luis A. Cayo, General Manager of the Van Nuys brewery, to thank him for the years of support given to New Horizons by Anheuser-Busch. Immediately after the event, all Walk participants were invited to attend Anheuser-Busch’s annual Family Day festivities, which included food trucks, free beer, shopping bazaars, and the Clydesdale Parade.

14TH ANNUAL GOLF CLASSIC

Held at MountainGate Country Club on February 27, 2017, this was the first year the event was held since the passing of David Kavner, the father of major donor, supporter and actress Julie Kavner, who received special recognition at the event. And after having a year’s hiatus, the return of this popular fundraiser benefitted greatly from a perfect day filled with old and new friends who enjoyed a fabulous day of golf while raising funds to make lives better for individuals with disabilities!

14TH ANNUAL NEW HORIZONS GALA BRUNCH

With special celebrity honorees Ed Asner and Holly Robinson Peete, the New Horizons Gala Brunch was held on **May 21, 2017** at the historic Vibiana in downtown Los Angeles, which is owned and operated by celebrity Chef Neal Fraser, who prepared a special menu for the event.

EVENTS

“As always, we love working with New Horizons and enjoy helping to further the fantastic work all of you (New Horizons) do for your clients and their families.”

- Luis A. Cayo, Anheuser-Busch

ADDITIONAL HIGHLIGHTS

At New Horizons, we not only pride ourselves on making a difference in the lives of those we serve and support, we feel fortunate to have the opportunity to touch and inform so many people about those living with intellectual and developmental disabilities.

Volunteers

Our volunteers went above and beyond in fiscal year 2017. A total of 514 volunteers put in 6,587 hours in and around our North Hills campus.

ABC7 Cool Kids Segment

On January 5 and January 8, 2017, a special “Cool Kids” episode aired on ABC channel 7 regarding high school senior Juliane Martinez, who volunteered in Sam’s Café. In her six months at New Horizons, Martinez said that she personally benefitted from her volunteer experience as it helped her decide to take courses in college to prepare her to be in the human services profession.

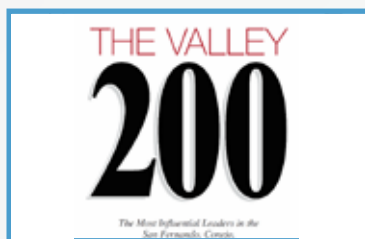

“Born This Way”

For the third, continuous season, New Horizons provided Bunim-Murray Productions with professional consultation on the three-time Emmy-award-winning A&E docu-series “Born this Way”. Through its appropriate depiction of persons with Down syndrome, “Born this Way” proved to have both high educational and entertainment value, demonstrated by the fact that in its third season it was nominated for six Emmys.

EXCEPTIONAL MERIT

Once known as “the best-kept secret,” New Horizons, thanks to its community supporters, family and friends, is being discovered as just the best.

The Valley 200 List

In November 2016, the San Fernando Valley Business Journal produced its inaugural “200 Most Influential Leaders” in the San Fernando, Conejo, Santa Clarita and Antelope Valleys. Three individuals from New Horizons were honored for their service to the community: board members David Adelman and Mitch Englander, as well as retiring CEO Cynthia Sewell.

Non-Profit of the Year

In April 2017, Assembly member Adrin Nazarian nominated New Horizons as his **Non-Profit of the Year** for his district. Each Assembly and Senate district provided their choices for this prestigious award. New Horizons was one of only about 100 of (out of 72,000) nonprofits that earned this high honor for high-quality services.

CFO of the Year

In June 2017 the San Fernando Valley Business Journal held a reception for its **CFOs of the Year**. Two individuals from New Horizons were honored with awards at this event for their service to the community: Board member Colin Donahue and Chief Financial Officer Greg Santilli.

PEGGY CARR SOCIETY

Just in time to honor all of our fiscal year 2017 donors, this year New Horizons unveiled our new donor wall which features the PEGGY CARR SOCIETY. It is a tribute in honor of the late Peggy Carr, one of New Horizons' closest friends and most generous donors.

new horizons
Serving Individuals with Special Needs

The vision and commitment of the eight families that started New Horizons as a means of giving a life of purpose to their children inspires the entire New Horizons organization to continue to expand the opportunities for those with special needs... and to do so in spite of whatever fiscal challenges need to be overcome.

15725 Parthenia Street, North Hills, CA 91343

HELP NEW HORIZONS MEET ITS MISSION

Take a Tour:

New Horizons offers mid-day tours on the 1st and 3rd Friday of each month.

Volunteer:

New Horizons has volunteer opportunities for those who enjoy speaking, teaching, organizing special events, or any one of numerous areas.

Donate/Participate:

In these difficult times a direct donation or participation in one of our events will support the work of New Horizons.

Community Rewards:

Amazon, Ralphs, Albertsons, Food4Less, plus more all have programs based on contributing to a designated non-profit... at no cost to you.

Send a Card:

Make a donation in honor of someone's birthday, anniversary, baby's birth, or holiday wishes. Your contribution supports New Horizons' life-changing programs.

Other Opportunities:

There are many other ways to support New Horizons. Use the information above to contact New Horizons and discuss how you can make a difference in people's lives.
