

NEW HORIZONS

We're Having a Shoe Drive

From August 1, 2019 - November 1, 2019

New Horizons has partnered up with funds2orgs to host a shoe drive.

We are collecting slightly worn, used and new shoes.

Our goal is to collect 2,500 pairs of shoes to help those in need and put some extra funds towards New Horizons programs.

How does the shoe drive work?

- Drop off your shoes at New Horizons on the first floor of the annex building
- Funds2Orgs donates to New Horizons for every shoe collected
- The shoes are given a new life, re-purposed and distributed to nations around the world.

It's a Win / Win!

The shoes don't go to landfills where they are harmful to the planet and health, you get to clean out your closet and help New Horizons.

****Don't Forget to look for our Shoe Drive Bins at our Yard Sale Saturday August 24th and the New Horizons 12th Annual 5K Run, Walk & Roll on October 12th****
