

NEW HORIZONS

It's Not too Late to Support New Horizons Shoe Drive

Goal = 2,500 Pairs

Extended until November 30!

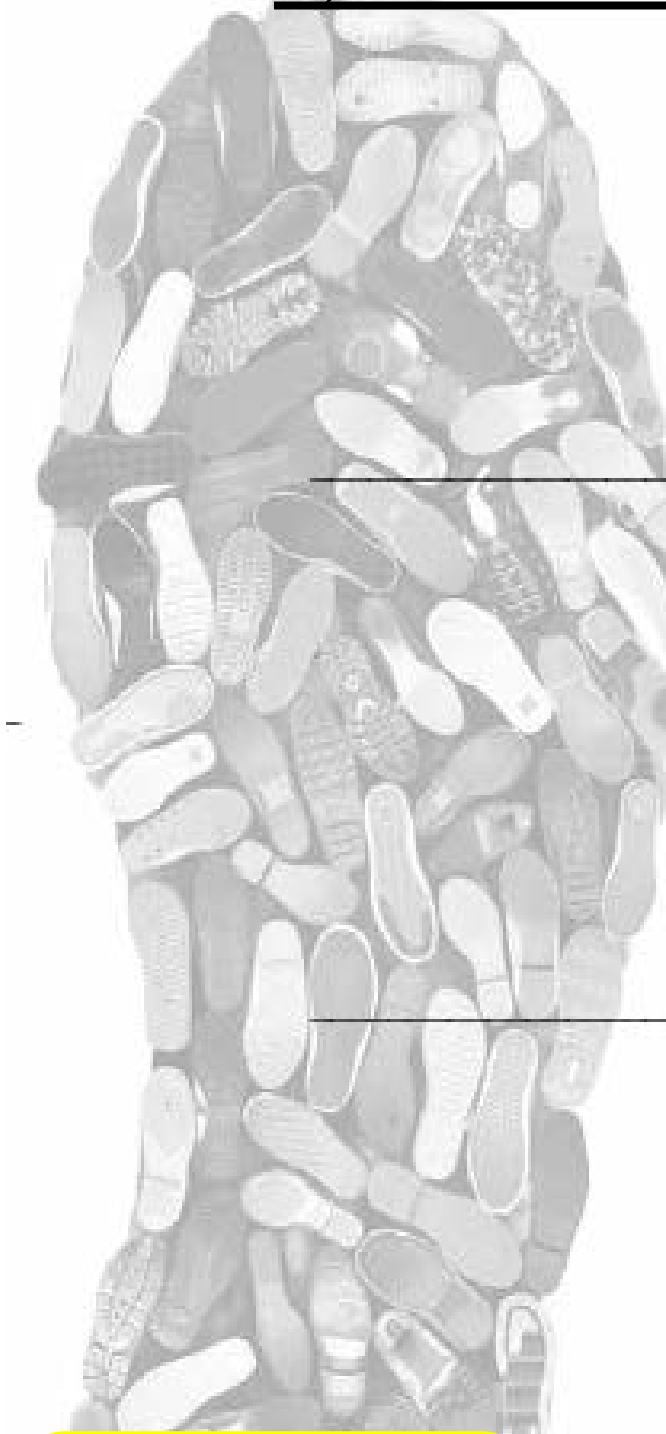

Our goal is to collect 2,500 pairs of shoes.
So far we have collected 600 shoes.

How does the shoe drive work?

- Drop off your shoes at New Horizons on the first floor of the annex building
- Funds2Orgs donates to New Horizons for every shoe collected
- The shoes are given a new life, re-purposed and distributed to nations around the world.

It's a Win / Win!

The shoes don't go to landfills where they are harmful to the planet and health, you get to clean out your closet and help New Horizons.

600 Pairs
