Power of the Purse, Living Your Best Life is a special day of giving back, adorned with an array of Designer Purses and Jewelry, highlighted by a Gourmet Grazing Lunch experience presented by Simple Life Things, founder Kori Jones. She, along with a dynamic panel of incredible women entrepreneurs, will enhance the afternoon's exciting program.

Funds raised at **Power of the Purse, Living Your Best Life** provide support for New Horizons life-changing services for people with developmental and intellectual disabilities. At New Horizons, we are committed to advancing the rights and life choices of individuals within the neurodiverse community and their families through a broad range of high-quality, innovative and personalized services. We believe in an inclusive world that celebrates strengths, respects abilities and embraces diversity.
